Sending the word around the world

Dr. Dan Hummel, Director

December 30, 2011

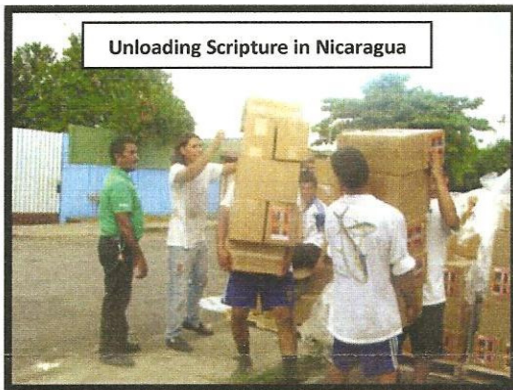

Dear Partner in Publishing,

We are filled with gratitude for your participation in our ministry. Your prayers, encouragement, and financial support make it possible for us to reach around the world with the gospel message. It is because of you that we are able to continue our mission to *"send the Word of God to the world."* Together, we are reaching souls and making a difference for eternity.

THE LAST DAYS OF 2011 – THE START OF A NEW YEAR:

We closed out 2011 in busy fashion. The press produced 1,250,000 Bible covers in full color. They are being used to send Scriptures to Spanish speaking countries, and to launch a project for Africa. During the early part of 2012, we are concentrating our efforts on Africa through our Church Scripture Assembly Projects. We start this project on January 8, 2012 at Victory Baptist Church in Darlington, VA. Pray with us for a good kick-off for our Scripture Assemblies in 2012.

We also completed the 5,000 New Testaments for Samoa. They are all boxed and ready for shipment. Missionary Jim Civale anxiously awaits their arrival in the country, and looks forward to the Scriptural help it will provide to the people in having their own copy of God's Word. What a blessing it is for our ministry to take part in such a great project. Pray they will arrive safely in the country.

Unloading Scripture in Nicaragua

We transported another 100,000 Spanish Scriptures that are headed to Nicaragua during the month of December. Some of the Scriptures have already arrived and have been distributed in the country. The results have been overwhelming. Hundreds are coming to Christ, and young people are surrendering to the work of the Lord. God is moving in a great way, and He is using this project to reach many souls with the gospel. Please join us in prayer for this on-going project. The workers in Nicaragua are working to reach 1 million souls with the gospel message. Projects like these need to be repeated all over the world. Pray with us to that end.

As we begin a New Year of service for our Saviour, we continue to target the country of Burma. We have printed another 50,000 New Testaments that need to be collated, bound, and then shipped to Thailand for distribution. It will take several months before they will be ready to go. This is all done with volunteer workers that come into our mission center in South Carolina and do the work. We are very thankful for each of them and their faithfulness, diligence, and determination to get these New Testaments ready to make the trip across the ocean.

Thank you again for standing with us in *"sending the Word of God to the World."* We cherish your partnership and friendship. May your New Year be filled with the blessing of our wonderful Lord.

Because of Calvary,
Dr. Dan Hummel, Director
