

# Jesus the Light of the World

October - December 2011

Dear Pastor and Church Members:

We want to wish all of you "Merry Christmas" and "Happy New Year's Day." I have been driving the church van on Sundays to pick up deaf teenagers (average 10), and two deaf teenagers got saved! We had Thanksgiving potluck on November 20, and 65 people came for this day.

I want do review of what happen this year:

- Finally started the remodeling last August after the city approved the blueprint.
- Went to Jamaica for a mission trip, saw five people saved, and I preached several times.
- Went to New Jersey for Northeast Deaf Conference and Deaf Day on Saturday.

Love in Christ,

*Bruce Kelly & family*

Missionaries to the Deaf

## Project Plan

We have worked renovating the building, including a new roof, new gutters, and new glass for the windows. Our present needs involve funds for HVAC, plumbing, sheetrock, carpet, a handicap ramp, and 100 church pew chairs. The cost of this and other general repairs are estimated to be near \$90,000. You may see the building on our website, which is at [www.deafbaptistchurch.com](http://www.deafbaptistchurch.com), and Facebook, which is "Deaf Baptist Church."

I have a special prayer request. I know right now the economy is very tight, but God is able to provide what we need so we are asking for you to pray for this special need. I am asking our supporting churches and church members to share in this endeavor. Would this be a project that you and/or your church would prayerfully support with a donation?
