Christmas Greetings From Louisiana

The Christmas season is always a cheerful time and one that gives Christians hope that others do not have. We know of the hope of the Saviour in our salvation. We also know the hope of the coming Saviour which is certainly getting closer. *"Now our Lord Jesus Christ himself, and God, even our Father, which hath loved us, and hath given us everlasting consolation and good hope through grace"* (2 Thessalonians 2:16).

Things in Pierre Part, Louisiana are still going well. The church is growing and we are going to baptize two converts on December 18. We are not growing rapidly but we are seeing a great deal more interest in the ministry and the attendance is holding its own even in the period which is traditionally slow for churches. The winter and summer are always difficult times for church attendance but we have not seen a great deal of difference this year.

There is some exciting news about our Reformers Unanimous Program. We started going to the Assumption Parish Jail this past week (Louisiana does not have Counties but Parishes which emphasizes the Roman Catholic influence on the state). There were 28 who attended and hopefully they will return this week. We go on Saturday afternoon at 2:00 p.m. You might pray for us during this time that we will be able to get the truth to some of these people who desperately need a life changing influence from the Gospel.

We are doing well and plan to have our children here for Christmas. This is always a good and enjoyable time to have everyone here. We hope you are able to do the same.

Marilyn and I want to wish you one of the best Christmas seasons and that the coming year will be prosperous and beneficial for you. May God give His richest blessings to you and your family at this special season. Thank you for your interest in this work of ministry as well as your support. Most importantly we thank you for your prayers.

Best wishes for the New Year!
